

## Consent form (over 16)

Thank you for all the commitment you bring to your music lessons.

Sometimes a recording of your work in the lesson can be helpful to make a teaching point or record success. This recording will be digital audio or visual and will be shared with the Teacher and with you as the pupil only.

In some cases (for example, posture problems at the piano) it can be useful to take a photo to illustrate the point. This digital data is for educational use and will be destroyed once the point has been resolved.

If you are happy to agree to this then please sign and return the form below to me, as no such recordings will be made without your consent.

If you have any questions please then discuss them with me.

I ..... (name) consent to Hilary Haworth using audio and / or video recording as an aid to my progress. I understand this digital data will be stored safely, destroyed once no longer required and include no personal data.
